

DR. DANIEL CLARK

Upper Cervical Patient Education Made Simple

Upper Cervical Corrective Health Care

A new way to get well and stay well ... without the use of drugs and painkillers.

It has been said:

The pharmaceuticals have an ***“Ask your doctor if it is right for you”*** commercial every 36 seconds on television.

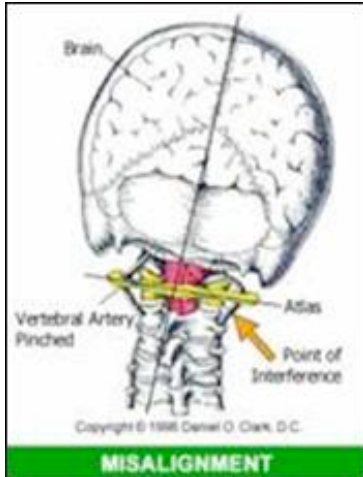

Upper Cervical Education Material, in layman terminology that is easy to understand, will help to combat this bombardment.

**Medical vs Upper Cervical
Comparison of Care for 25 Common Health Problems**

Medical Care:

Provides 25 different pills, drugs, or painkillers for the relief of pain and symptoms of each health problem.

Upper Cervical Care:

Provides a Specific Upper Cervical Corrective Procedure, designed to remove brain to body interference at the top of the neck, and restore the body's natural ability to heal the 25 health problems.

WHY Upper Cervical Education Material is so Important!
Patients need to know that Upper Cervical Corrective Health Care provides optimal health without the use of drugs and painkillers!!

The following happened on one of the NBC Jeopardy College Championship Shows!

A panel of 3 students from 3 of our leading colleges were asked the following question:

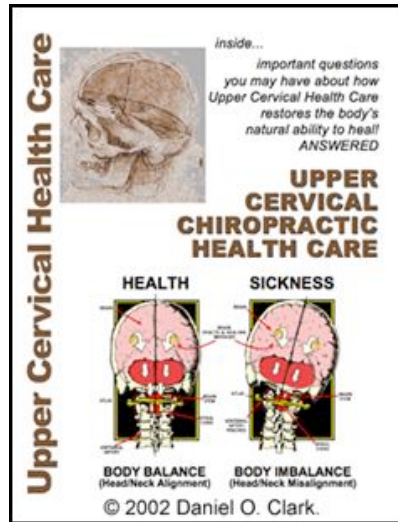

The spine consists of 33 vertebrae, 7 are Cervicals, where are they located?

One student said, "The back I think", the other 2 gave no answer.

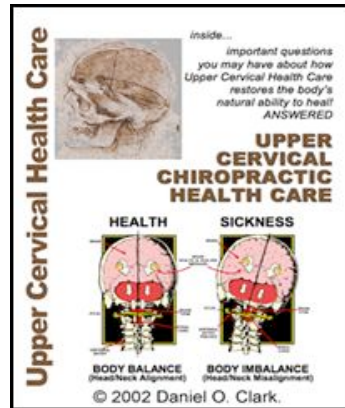

Our Objective:

Create terminology for Upper Cervical education material

that is easy for patients to explain ... because they are the best and most accessible source for referrals!

Standard Size #0094 (8 1/2 x 11)

Pocket Size #0095 (5 1/2 x 8 1/2)
